

How can we help?

Danville Memorial Gardens is a privately owned perpetual care cemetery offering ground burial and above ground interment options, including columbarium niches and mausoleum crypts.

Our staff is available 24 hours a day to assist you with your immediate or pre-planning burial needs. We work with all area funeral homes and can help you in locating your loved one's space. As a perpetual care cemetery, our grounds will be maintained for generations to come, ensuring a lasting and final resting place.

Pre-planning

Help take the burden off your loved ones by making your end-of-life decisions ahead of time in a calm and thoughtful atmosphere.

Our family service counselors are here to ensure that you find the final resting option for you. Pre-planning not only reduces the financial burden on your loved ones, but also helps to ensure that your final wishes are taken care of.
